All players are asked to **arrive at least 30 minutes early** for their matches to ensure they are on court in time for their match, according to the court running order.

Players who fail to show up for their match without providing notice to the venue official or GAA Handball may be liable for **exclusion from future tournaments**.

No fixture requests will be entertained.

Due to the extremely large number of matches to be played, all players are asked to be prepared to play their game **as soon as the court becomes free**. This is to minimize the risk of games running well behind schedule.

All players and officials are asked to display **respect to all officials and referees** throughout the course of the weekend. These people are all volunteers who have given up their time to co-ordinate the successful running of this event. Any player or supporter who fails to display respect, or causes disorder to a player/official/referee, may be asked to leave the premises and sanctions could follow.
